SOCIOLOGY MENTORSHIP PROGRAMME :

- Welcome to the Sociology Test Series. Most traditional test series fail because students get overwhelmed by massive weekly syllabi, fall behind after a couple of tests, and eventually give up.
- To prevent this, we have engineered a **Micro-Schedule Approach**. By breaking down the syllabus into daily, manageable targets, we ensure you build consistent momentum, finish the syllabus qualitatively, and enter every major test with absolute confidence.
- **Our Vision:** Students who strictly adhere to this micro-schedule will build the conceptual depth required to crack the **300+ mark in Sociology Mains 2027**.

KEY FEATURES OF THE PROGRAMME

- **The Daily Test Strategy: Dual-Purpose Practice**
- The **Daily Test runs 4 days a week** and features the exact same questions that form your comprehensive **Weekly Test**.
- This overlap is highly intentional and serves two critical objectives:
- **Syllabus Completion:** Breaking the week's portion into daily, micro-sized targets makes finishing the vast syllabus entirely manageable.
- **Mains Simulation:** Seeing the same questions in the weekly test allows you to practice under real Mains exam conditions—testing your speed, formatting, and time management on topics you have freshly prepared.
- **The Goal:** You aren't just reading the syllabus; you are actively conditioning your mind for the high-pressure environment of the Mains exam hall.
- Students who want to opt for weekly test can choose weekly test alone
- **Thinkers Revision Classes:** Dedicated revision sessions before the start of every "Thinkers" test section to solidify your foundational concepts.
- **weekly test will be followed by test discussion by Mr.S.SIVARAJAVEL.**
- **Daily test students after the completion of every section** (i.e 4 days) can compile all their answers and mail us.

VOICES OF SUCCESS

The SIVARAJAVEL Impact :

ABHIJIT ASOKAN

AIR-234 | CSE 2025

SOCIOLOGY SCORE **279** MARKS

Following the success of my brother, who secured 303 marks in Sociology under the guidance of Sivarajavel Sir, I chose Smart Leaders IAS Academy for my Sociology optional preparation.

Despite choosing the online mode, Sivarajavel Sir was always available and accessible during doubt-clearing and live sessions, making the distance feel irrelevant.

Test series (METIS) comprehensive, year-long program was instrumental in my success. It covers the entire syllabus through nearly 380 PYQs, ensuring complete conceptual clarity. The discussion notes provided after each test became my primary revision tool, allowing me to consolidate the vast syllabus efficiently before the mains.

SOCIOLOGY SCORE **268** MARKS

I would sincerely like to thank Sivarajavel sir for his continuous support throughout UPSC journey.

His test series had question that directly came in the final examinations that helped me better answer the questions .

Sivarajavel sir gave ready made introduction and conclusion along with model answer which helped me recollect the answer under pressure situations.

He was not just a mentor but a friend whom i could conatct any time i faced any problem.He used to constantly motivate me that its in my potential that i can crack the examination.

Thank you sir not just for sociology but for motivating me during low times.
