+ Thinkers + Debates)**

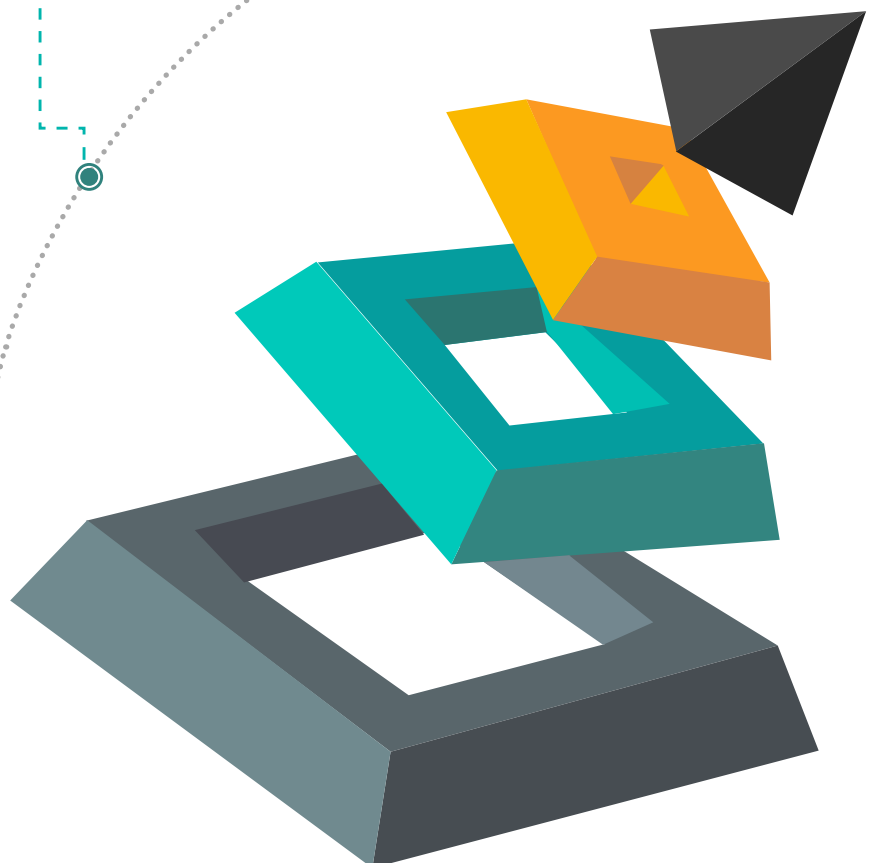

Every topic on the syllabus distilled into an ultra-dense single-page revision card.

**70-Question Master
Answer-Writing Workshop**

Cover the entire syllabus through 70 carefully curated, high-probability questions. Learn the exact anatomy of 10- and 20-markers: sociologically anchored introductions, multi-dimensional theoretical bodies, custom diagrams, and critical conclusions.

**4 Full-Length
Simulation Tests with 1-on-1
Mentorship (2 P1 + 2 P2)**

Every test is accompanied by personal one-on-one mentorship to diagnose your exact scoring bottlenecks and fix presentation flaws.

IS THIS COURSE DESIGNED FOR YOU?

If your sociology preparation fits any of these three profiles, this program is engineered specifically for your needs:

The Consolidator

STUDIED RECENTLY, LACKING CONCEPTUAL CLARITY:

You finished a basic course recently, but theoretical abstraction in Paper 1 feels overwhelming, and Paper 2 answers still sound like General Studies rather than distinct sociological analysis.

The Returner

STUDIED 2-3+ YEARS AGO:

You have covered the syllabus in the past, but the concepts feel distant, thinkers are mixed up, and you need a fast, structured reactivation without sitting through a slow 6-month foundation class again.

The Mains Veteran

STUCK IN THE 220-250 PLATEAU :

You have written Mains or multiple full tests, but your score refuses to budge. You need pinpoint diagnostic feedback, high-yield value addition, and structural refinement to cross into the top percentile.
